

Welcome Back

Spring Term Newsletter | Year 10 Intrepid Class

Dear Parents and Carers,

Welcome back to the Spring Term. We hope you and your families had a restful break. We are pleased to welcome students back and are looking forward to a positive and productive term with **Year 10 Intrepid Class** at **Jubilee School**.

Spring Term Focus

The Spring Term is an important time for our Year 10 students as they continue to develop both academically and personally. This term, we will be focusing on:

- Building confidence and independence in learning
- Developing positive routines and engagement in lessons
- Supporting students to work towards their individual goals and next steps
- Beginning to prepare students for the expectations of **Year 11 exams and assessments**, where appropriate

We recognise that success looks different for each student, and we value progress in all its forms — academic, personal, and social.

Learning and Pathways

Students will continue to follow personalised learning programmes that reflect their needs, strengths, and future pathways. While some students may be working towards formal qualifications, others may be focusing on:

- Functional and applied learning
- Vocational or practical skills
- Developing learning behaviours, communication, and problem-solving

As students move through Year 10, we will gradually support them in understanding what Year 11 may look like for them, including exams, assessments, or alternative pathways.

What's New?

We have introduced a new reward system this term named rooted in success. Pupils can earn tokens in their classes for displaying courage, kindness, engaging with their learning and for achieving. These tickets are entered into a draw and pupils could win a prize each week. The class with the most tokens will earn an extra trip at the end of the term! So let's get collecting Intrepid!

Communication and Support

Strong communication between home and school is vital. If you have any questions, concerns, or information that may help us support your child, please do not hesitate to contact the school. We value working closely with parents and carers to ensure the best possible outcomes for our students.

Thank you for your continued support. We look forward to a settled and successful Spring Term with Intrepid Class.

Kind regards,
The Intrepid Class Team
Jubilee School
