

Nelson Class

English

During our English lessons we will be focussing on writing our own poems based on Dr Seuss.

During the second half of the term we will be learning about instructions, following them and writing some of our own.

$$24 \div 4 = 6$$

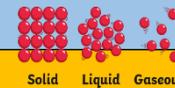

$$4 \times 6 = 24$$

Maths

During maths we will be learning about multiplication and division. We will also focus on fractions, shape and money.

Science

During Science we will be learning about the particle model. Learning about the states of matter and how they change. We will then learn about the human body,

Solid Liquid Gaseous

PSHE – Social Skills

During PSHE we will be learning about friendships and healthy relationships.

During the end of term, we will be looking at the wider world topic and learning about teamwork, growth mindset and careers.

Art – DT - Food

In Art we will be completing work around a range of artists including Van Gogh, Picasso, Paul Klee and Alexander Calder. We will evaluate their work and try some of our own.

In food tech we will be learning a range of recipes from cheesy triangles to chicken fried rice and our treat of chocolate muffins to end.

ICT

During our ICT lessons we will be focussing on internet safety and using safe sites.

We will also be using a range of programs to complete work and improve our general IT skills.

History – Geography - RE

In History we will be learning about the Ming Dynasty. Learning about the forbidden city and what life was like during this time.

In RE this term we will be learning about Buddhism. We will focus on different groups, beliefs and traditions.

Other

We will be enjoying roots again on Wednesdays this term and completing a range of activities relating to sustainability.

In PE we will be doing climbing on Tuesdays, we will learn how to use safety equipment and the skills required to climb.
