

Triumph class newsletter

Spring term 1
Welcome Spring!

What Triumph are learning about:

Science - The Solar System

Students will be learning about the solar system, including the Sun, planets, moons, and other objects in space. They will explore how planets move and discover what makes each one unique.

English - Technology and Gaming

In English, students will be exploring technology and gaming through reading, discussion, and writing. They will look at how digital games and technology tell stories and influence communication.

History - Ancient Egypt

Students will be learning about Ancient Egypt, focusing on daily life, beliefs, pharaohs, and important achievements. They will explore how this ancient civilisation developed and thrived.

Humanities - Ethics of Technology and Gaming

In Humanities, students will be exploring the ethics of technology and gaming. They will discuss responsible use, online behaviour, and the impact of technology on individuals and society.

Upcoming events

23rd January

- Asian Cultural day

13th to the 24th February

- February half term

23rd February

- Inset day

Reminders

Please remember to wear suitable clothing on Mondays for our Jubilee Roots sessions.
