

DIAMOND CLASS NEWSLETTER Autum Term

🌞 Welcome to Diamond Class! 🌞

A very warm welcome to all our Diamond Class children and families!

We are really looking forward to a fantastic year of learning, exploring, having fun and developing together. Our aim is to create a safe, supportive and positive classroom where everyone feels valued, listened to and ready to learn. We will continue to use our AAD approach – Ask, Accept & Develop to encourage curiosity, respect, confidence and personal growth. We will celebrate successes, support each other through challenges and help everyone to become **confident, independent and successful learners**.

With best wishes,
Lottie, David & Sally
