The Illustrious Team

This year, Jess and Rachel will be tutors for Illustrious, with the phenomenal support and care of Zak and Shelley. If you ever have any questions or concerns about your child, please reach out to one of us, as we will do whatever we can to help your child have a positive and productive year.

Coming up...

Coming up this term, Illustrious will be commencing their Year 10 Options and well as their core subjects, on which skills and knowledge they will be building. In English, they will be working on Functional Skills and studying Macbeth for their GCSE Literature. In PSHE, we will be considering Mental Health and Self-Care whilst exploring how mental health issues have been treated over time.
