

Invincible Newsletter

Welcome Back!

Welcome back to school and a very warm welcome to our new Year 10 tutor group, Invincible!

We look forward to working with students, parents and carers throughout the year and supporting our young people to grow, achieve and thrive.

Here's to a fantastic year ahead! ☀️

What a busy start to the term!

We've welcomed new additions, including our library and chill-out space, alongside a fantastic residential trip to Fairthorne, where students made lots of wonderful memories.

What's Happening?

Invincible – This Term

English

Students will begin working towards their Functional Skills exam, developing key reading, writing and communication skills to support their future learning.

Science

Students will explore animal and plant cells, including specialised cells, before moving on to genetics and genetic modification.

Maths

Students will continue to build and expand their mathematical knowledge, developing the skills and confidence needed as they begin their journey towards exams.

Offsite Physical Activity

This term, Invincible will visit the local snooker hall, developing their physical skills, concentration and confidence while enjoying an activity in the community.

Food Technology

Students will continue working towards their Food Technology qualification, preparing full meals and evaluating how they can make dishes healthier, more cost-effective and practical.

Tutors Rosie and Callum, along with our fabulous TA Nicola look forward to a rewarding year! We look forward to working together with you for a successful and prosperous year!
