NELSON CLASS NEWS

WELCOME BACK!

Welcome Back to School!

It has been lovely to welcome everyone back to school and see the class settling back into their new class room and routines over this first week. We are looking forward to a fun, exciting and successful term together!

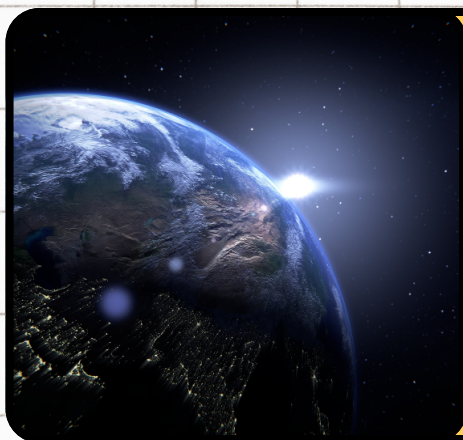

Team Nelson!

Meet The Team

Our class teacher for this school year is Dannee, who will be leading the class and supporting pupils with their learning, progress and individual goals. Working alongside Dannee are our Teaching Assistants, Dizzie and Leah, who will be supporting pupils throughout the school day and helping everyone to feel settled, confident and ready to learn. We're looking forward to working together as a team and making it a positive and enjoyable year for everyone!

What are we Learning about?

We have some exciting topics to explore this term!

Space – Exploring planets, stars, astronauts and the universe.

Gaming & AI – Looking at gaming, technology and how AI is used in everyday life.

Ancient Egypt – Discovering pharaohs, pyramids, mummies and life in Ancient Egypt.

Roots – Monday Reminder

The class visits Roots every Monday, so suitable footwear is especially important. Please send pupils in wellies or sturdy/hiking-style boots. We have wellies available to borrow, but pupils are welcome to bring their own. A warm, waterproof coat and extra layers are also recommended as the weather gets wetter and colder.
